about

Hello! I'm a digital artist, illustrator and designer, who has worked the past five years in design for k-12 education. I'm a fast learner, a team player, great at taking feedback, and making quick changes. I pride myself on my collaboration skills and was voted silliest goose at my last work holiday party.

experience

senior digital artist – Amplify – New York, NY – Fulltime/Remote 3/2025 – 8/2026

- Worked across teams to create age appropriate narrative art for literacy and ESL curriculum, creating over 500 spot/full illustrations over 5 years
- Collaborated with art director and design leads to refine requirements for art specs and produce full illustrations and spot art
- Delivered creative solutions on tight deadlines in a variety of styles in both vector and raster
- Created rapid iterations, both from initial concept to final revisions based on team feedback and stakeholders
- Revised pre-existing art and edit stock photos to align with curriculum

digital artist – Amplify – New York, NY – Contract/Remote 9/2021 – 3/2025

location designer – Stoopid Buddy Stoodios – LA, CA – Freelance 6/2021 – 8/2021

- Collaborated with story and design leads to create look for backgrounds of an animated TV project in development

visual development – ShadowMachine – LA, CA – Freelance 6/2021 – 8/2021

- Collaborated with story leads to create look for backgrounds and character designs for an animated TV project in development

illustrator – Litty/Shadow Interactive – LA, CA – Freelance 12/2020 – 6/2021

- Primary illustrator on "Lock and Son", an interactive story for Litty app
- Worked with writer to design characters and locations
- Provided fast turnaround from initial thumbnails to final illustrations

visual development – Gas Money Pictures – LA, CA – Fulltime 3/2020 – 12/2020

- Collaborated with creative director to develop the look for several animated shows in development
- Designed props, characters and backgrounds in a wide array of styles
- Updated previous designs based on studio and stakeholder approval
